C.R. No. 2654/22

Station Bellary , *Dated the* 9th March 1923

From (Name) M.R.Ry. Rao Bahadur M.Gopalswami Moodr., Avl. B.A.B.L.
(Designation) President, District Board.

To The Secretary to the Government of Madras,
Local Self Government Department.
Madras.

Through
Sir,
The Director of Public Instruction,
Madras.

Sir,

(d) I have the honour to invite the kind attention of Government to the extremely poor financial condition of this District Board and to submit for favour of their consideration the following proposal being one of the most important and the possible ways and means for relieving it of the financial strain.

2. There is a Secondary school at Harpanhalli which teaches up to the sixth Form and prepares students for the complete course of the present Secondary school Leaving Certificate Scheme, and was formerly preparing pupils for the Matriculation Examination. It has been

in existence for over forty years, and has always been doing excellent work, as testified by the inspecting officers from time to time. The old Taluk Board of Hospet was maintaining the Institution, and to relieve that body of its financial stress, the District Board took over the management from October 1913. This Institution has been the only one importing Secondary Education in the area comprising the Hospet Sub Division of this District representing all the Canarese speaking Taluks. Although the Sedondary department of the Municipal High School at Hospet has just developed into a High school, the Harpanhalli school continues to be the centre for Secondary education for the pupils of the Hospet, Harpanhalli, Hadagalli and Kudligi Taluks.

3. On account of the financial stringency in the District Board the prospects of the further maintenance of this old and well established Institution have become gloomy. Though provision has been made in the Budget estimate of 1923-24 for its up-keep the imminent fall of revenue in the ensuing year due to the prevailing famine condition and the consequent suspension and remission of land revenue and with it the land cess, will, I am afraid, increase the Boards deficit even beyond the estimated amount of Rs.12,900/-. The only possible course of meeting this deficit will be to reduce the Boards expenditure on Secondary education which, would means the reduction of this Secondary school to a lower status which, however is not at all desirable as the demand for facilities for Secondary Education in that part of the District continues to exist, and this popular need must be satisfied.

4. In the above circumstances I request that Government will consider the matter carefully and help the Board to continue the Institution in its present state by meeting the net cost of its maintenance as is being done in the case of several such Institutions both under Local Boards and Municipalities. A copy of the Resolution of the District Board the matter is enclosed for favour of kind perusal and con-

consideration.

5. A summary of the financial statement of the District Board enclosed with the Budget estimate for 1923-24 is enclosed for favour of perusal. I make this application to Government for their special consideration, as otherwise the poor resources of the Board may lead to the reduction by degrees to the abolition of the school. Even if the Board should for purposes of regulating its finance, resolved upon the abolition or reduction of the Institution, Government may be obliged eventually to satisfy the public demand to establish an Institution of the kind there. So I would press that in consideration of public convenience and economy, Government may avail themselves of the aid of this long standing and widely useful non-Government Institution, and encourage its continuance by meeting the net cost thereof which according to the Budget estimate of 1923-24 works up to Rs.7,170/- as shown below.

Charges..	Salaries of Mastersand clerks and servants.		Rs.15,460
	Contingencies.		400
	Equipment renewals.		500
			16,360
Receipts.			
	School fees.	Rs. 6,000	
	Existing recurring annual Government Grant.	3,190	
		7,170	

I have the honour to be,

Sir,

Your most obedient servant,

President.

Dated...28th Feb....1923.

READ revised estimate of receipts and expenditure for 1922-23 and the Budget estimate for 1923-24 of the District Board and all the Taluk Boards in the District.

RESOLUTION NO. 3

Approved and passed with the following resolutions.

x x x x x x

x x x x x x

x x x x x x

4. The Board is of opinion that on account of its slender resources it cannot afford to maintain the High School at Harpanhalli out of its revenues. The Board therefore requests the Government to come to its aid by bearing the whole net cost of the High School as it is doing in the case of other High schools under the management of certain District Boards and Municipalities.

A.K./9-3-23.

President.

Station Bellary. , *Dated the* 7th April 1923 191

From (Name) M. R. Ry., Rao Bahadur Gopalaswami Mudr. Avl., B.A., B.L.

(Designation) President, District Board.

To The Secretary to the Government of Madras,
Local Self Government Department
Madras.

Sir, Through
The Director of Public Instruction,
Madras.

Sir,

In continuation of my letter Ref. C. No. 2654 dated 9-3-23, I have the honour to submit herewith a copy of the resolutions passed at the Third Godavari Secondary School Teachers Conference and to state that the opinions epressed in the resolutions support the case made out in my letter under reference.

I have the honour to be,
Sir,
Your most obedient servant,

K. Ramarao
for President.

K.V.H.7-4-23.

Copy of the Resolutions passed at the Third Godavari District Secondary School Teachers Conference.

---

1. This conference is strongly of opinion that the Grant-in-aid Code be forthwith ~~be~~ do amended and begun to be enforced, as to require Government to bear, in every case, the whole deficit with which recognised Secondary Schools are increasingly threatened, the obligation of Government in this respect being grounded on (a) the identity of

1. Disciplinary and supervising control by the department over teacher and taught

2. qualifications, both general and technical of teachers,

3. minimum requirements as to buildings, equipment etc.,

4. concessionary fee regulations for backward and depressed classes.

5. courses of study and syllabuses.

6. examinations,

7. value of certificates issued.

as between Government and all other schools; and also upon

(b) considerations of public convenience and economy in Government availing themselves of the aid of long-standing and widely useful non-Government Educational Agencies - themselves products of the declared policy of Government very recently and in thus saving the stillheavier expenditure, initial and recurring, incurrable by Government for the establishment and maintenance of new High Schools, in the event of the otherwise inevitable and impending collapse of several existing schools ~~under~~ under present conditions.

II. This conference is strongly of opinion that Government, while accepting Resolution I, should take

take steps for the standardization of salaries in all non-Government Sedondary Schools in accordance with the revised scale obtaining in Government Institutions; and also insist on the adoption, in those schools, of all rules regarding leave, provident fund of pensionary contribution, insurance etc.

Requesting Government sanction net cost of maintaining the Board Secondary School, Harpanahalli

ENCLOSURES.

No. President's letter & its enclosures, etc.,

Spare copies .....

L.O.C. No. 511-B/23

Station Madras, *Dated the* 23rd May 1923.

From (Name) T.A.Grieve Esq., I.A.,

(Designation) Ag: Director of Public Instruction

To The Secretary to the Government of Madras,

Local Self Government Department.

Sir,

Submitted to Government.

2. The Board High School, Harpanahalli is in receipt of a recurring subsidy of Rs.3190. The President requests that, owing to the extremely poor financial conditions of the District Board, the net cost of the maintenance of the school may be met in future from provincial funds.

C 286 14-9-23

The financial effect of the proposal works out as follows:-

Receipt

Receipts

Strength as given in the Tabular Inspection Report of the school :

VI Form	26)	Rs.	
V ,,	23)	x 42	= 2940
IV ,,	21)		
III ,,	21)		
II ,,	31)	x 56	= 1764
I ,,	30)		
5th class	41)	x 10	= 1000
4th class	61)		
	Total		5864
Less 10% for backward class of pupils			586
Net fee income		Rs.	278

Charges

The average cost of the sanctioned scale in respect of staff and establishment as arrived at from the statement furnished by the District Educational Officer excluding temporary additions to pay) Rs.804 per mensem

The cost for 1923-24 ... ... Rs. 9648

In 1923-24, the charges for the staff and establishment will be Rs.904 per mensem or 10848 per annum

Contribution to Provincial fund	678
Contingencies and equipment renewals (President's figure)	900
Total	12426

The net cost for 1923-24 is Rs.7148. Since the school is in receipt of a recurring subsidy of Rs.3190, the extra cost which the Government will have to bear during 1923-24 will be (Rs.7148-7190, or Rs.4958. In subsequent years the extra cost will be increased to at least Rs.4978.

4. There are no funds in the Budget Estimate of 1923-24 to secure for any new subsidies. But I should prefer giving the District Board if Government consider it necessary, a lump sum to be paid as special subsidy later in the year. If Government agree to my view they will have to find the money required for the purpose.

R. R. Statham

For Director of Public Instruction

A. P. B.—1000-1-24,

Net cost - Harpanahalli BD High School - Bellary dt

The Dt Board requests that the entire net cost of the BD High School at Harpanahalli may be met from Prov. funds. This request is for consideration in Law (Edn) in consultation with Finance. The file may therefore be transferred to Law (Edn). The financial conduct of the Dt Bd is very unsound - vide para 17 of G.O. 519 Ltm, dt 1-3-23 and the annexure to the G.O. The Bd's request may therefore be rejected by this Dept.

Issue in L.Sec in consultation with Finance Dept to Dt also the statement mentioned in 5 C.F. (C)

14 JUN 1923

Law (Edn) Sec

Proposed memo 13451-1 Ltm 13.6.23

L.Sec 2408B 14/6/23.

× Typing may pertain to the Constitution of Dt. Secondary Edn Boards

Law (Edn) dept

In the file relating to the principles that should be observed in granting subsidies to local bodies for the maintenance of secondary schools, the Hon'ble Minister Law noted

noted as follows:

" Indiscriminate taking over" will *(7 schools)
"involve the Govt in uncertain liabili-
"ties. The whole matter is not
"practically systematised. I have
said that schools should be
taken up in areas where there
is no other agency to work or
where for a large area there is
"no other institution and the local
'bodies are not able to maintain schools.
'The principle shall be applicable
"to poor areas or other places after
"examination of the case fully on
its merits. Schools in areas already
fully and properly served should be
"avoided."

There are 11* secondary schools Vol II of the Quinquennial report
in the Bellary D.t., of which 5
teach up to the VI Form including
the Hospet school which has just p. 2 of
developed into a high school. In
view of the backwardness of
the Ceded Dts in point of secondary
education ~~in this area~~ and the p. 1 last
unsatisfactory financial condi-
tion of the D.t Board, it is for
orders whether the full net cost
of

of the school may be met from Provin-
p. 10 cf cial funds. The Dir is presumably in support of the Board's request.

3. The District Board is in receipt of a recurring subsidy of Rs 3,190 per annum and, if the Director's proposal is approved, the additional subsidy payable p. 11 cf to the D.B. Board will be Rs 3,958 in the current year and Rs 4,978 in future years. In the calculation of the extra cost to Provincial funds, the D.P.I has excluded the temporary additions (amounting to Rs 3,072 p.a.) to pay drawn by the staff employed in the school. Under GO No 1484 Home (Edn) of 22.11.1918 the Govt are liable to pay a subsidy to the D.B. Board on account of the temporary additions to pay in case the school is admitted to the net cost arrangement, provided the D.B. Board sanctions temporary allowances to all its other employees. Presumably the D.B. Board has not sanctioned such allowances to its other employees. The D.P.I may be requested kindly to state whether the presumption is correct.

GO No 236 (6) 14.2.23

(V) — receiver

4. As there is no provision in p. 11 cf the current year's Budget Estimate for meeting the extra expenditure, it will be

be necessary to move a demand for a supplementary grant of Rs 3,958 (exclusive of temporary additions to pay, if it is decided to consider the proposal favourably) admit the school to the net cost arrangement from 1924-25 and The alternative will be to make a provision of Rs 3,734* in the Budget Estimate for 1924-25, being three-fourths of the net cost of the school for that year to be paid in advance to the Dt Board. In the latter case, the question may be considered along with Part II schemes for 1924-25 to be placed before the Finance Committee and the D.P.I may be asked to include this in the list of Part II schemes for next year. It is unlikely that Finance will agree to admit the school to the net cost arrangement from the current year as it will be considered a new scheme and the matter has to be placed before the Finance Committee

* $\frac{3}{4} \times 4978 = 3733\frac{1}{2}$

5. The file may be sent to the D.P.I vide for remarks with reference to para 3 above, if the proposal of the Dt Bd that the net cost of the High School be met from Govt funds is to be accepted?

Sd
18-6-23

Jd
18/6/23

There is no doubt that the Kempanhalli School is a very important one & that it should be continued. The Dt. Board has been having it under its direct management since 1913; and it has been paying from its own funds the net cost of the maintenance of the School which

Please see para 7 of G.O. No. 579 dated 1-3-23 (C)

1 p. 29 Cf.

which is estimated at about Rs 4000 l. annum
The reason why the Board desires to be
relieved of this charge is given in para. 3 of the
p. 29 f. President's letter. The immediate cause
is the prevalence of famine conditions. These
are only temporary, and if any assistance
is needed, it should rather be of tentative
character. The D. P. I's recommendation
p 11 of f. in para. 4 of his letter seems therefore to be
reasonable solution. The D. P. I is not able
to point any source from which such
special grant could be met. He desires
Govt. to allot the funds. L. S. G may first
examine & say whether this will not do.

CA
23/6/23

Many Muhammadan schools, Cuddalore, Salem
have fewer among scholars. So there is
no case for the permanent labourer
of the school.

What is wanted is special help
the current year on account of
special difficulties. Can L. S. G help?

A.S.1

L.S.G. (Afforestation) Dept.

The Law Secy's enquiry in the previous page is apparently whether the L.S.G. Dept can give a Special Compassionate grant to the Bellary Dt Board during the Current year. The govt have provided a sum of Rs 17 lakhs in the current year's budget to wipe off deficits of local boards, but no part of this will evidently go to the Bellary Dt BD which, according to the A.S.1's recent draft, has opened this year with a (of Rs 3,02,545) plus balance. No other Special grants to local boards are contemplated this year unless as a result of the recommendations of Mr Campbell's Committee it is decided to give the trunk road grants in monthly instalments in advance, in which case, ~~the Dt Bd will have temporary financial embarrassment until~~ the

the DB Bd would be relieved of its temporary financial embarrassments [The budgeted closing balance of the Bd for the current year is Rs — 12900 and this will be more than wiped off by the trunk road grants if paid in advance] Mr Campbell's Committee's recommendations are still under consideration and it will take time before orders issue on them. With these remarks the file may be returned to Govt (Edn) D.O. 4/7.

This means that L.S.G cannot accommodate the Bellary DT Bd with any grant out of the funds at their disposal to keep the Kanpanahalli High School going

Clearly not.

23 8-

Law (Education) Department.

The L.S.G. Department state that according to the Accountant-General's statement received by them the accounts of the Bellary District Board for last year closed with a plus balance of Rs.52,545 while from the summary of the budget of the District Board on p.5 of c.f. it is observed that the opening balance for the current year was (Rs. -8580). It is not clear how there is such a large discrepancy between the Accountant General's and the President, District Board's figures. If there is such a large opening balance to the credit of the District Board as that reported by the Accountant General, there may be no need to sanction a special grant to the Board in the current year. The L.S.G. Department may be requested to explain the position further.

According to the March Final account figures furnished by the T. B. C. recently, the revenue account of the Bellary D.t Board closes with a Deficit of Rs 69301 on 31-3-1923. The finances of the Board are therefore not satisfactory. The question of giving grants to local boards to wipe off deficits is still under consideration

T.D. 11/8.

2. The compassionate grant will ordinarily be given only to such of the local boards as have utilized their taxation powers to the full. The Bellary Dt. Bd levies tolls and all taxes (other than the optional cess) at the maximum rates but does not levy the optional cess. The Dt. is famine-affected and so the Bd may have to be shown special consideration and given a compassionate grant to wipe off the opening deficit, even though it does not levy the optional cess. Even if this is done, the Bd's finances

finances would not be satisfactory in the ct year as there would even there be a deficit of Rs 5,112 in the revenue account - vide the statement at Sl. (V). The position would be worse off, as the Chairman fears, the Board's revenue should fall owing to the prevailing famine conditions and the consequent suspension & remission of land revenue and with it the land cess. The Bo finances were unsatisfactory in 1921-22 and 1922-23 also, as there was a net deficit of Rs 62,497 in the former year & Rs 18,092 in the latter. The deficit for 1922-23 is based on the Revised Estimates according to the actuals for that year the deficit must be larger, as the closing balance under the revenue account was (only) adverse Rs 89,159 according to the R.E. while according to the Treasury Dy Comr there was an actual deficit of Rs 69,301 at the end of 1922-23. In these circumstances, the BD will require aid from Prov. funds to maintain the (para 3 on p. 2 C) vide Statt at (V)

School not only in the ct year but also in future years or at any rate till such time as the Bd finances improve. With these remarks the file may be sent to Law Dept & etc.

Law (Education) Department

The L.S.G.Department states that the Bellary District Board will, in due course, receive a compassionate grant to wipe off the opening - deficit in the current year but that even then, the financial position of the Board is not likely to be satisfactory in the current year. If this is so, there may be a case for the payment of a similar compassionate grant in the next year to wipe off the current year's deficit. Such special help may have to be continued in future years till the Board's finances come to a normal position. So far as education is concerned, the Govt.are already helping the Dt.Board liberally. Of the six secondary schools (under the management of the Dt Board) the Govt.are meeting the net cost of five. As regards the remaining school, viz, the High school at Harpanahalli, a fixed subsidy of Rs.3190 (is given) against a net cost of Rs.10,360 as estimated by the P.D.B and Rs.8168 as estimated by the D.P.I. In view, however, of the facts stated in the P.D.B's letter, it is for consideration whether the fixed subsidy now paid may be raised. The question of meeting the entire net cost of the school need not

1.3.23

P. 3 of C/f. A

8168
3,190 + pp 1-3 C.F.
4978

it is submitted, be considered. The D,P.I. is unable to find by re-appropriation the addl. amount that may be required for the payment of an enhanced subsidy to the Dt. Board in the current year. Whether any savings in the current year's provision will be available for this object later on, can be ascertained only towards the close of the current year. Unless a supplemental demand is moved, provision for any additional subsidy will have to be made only in the next year's budget.

Para 4, p. 11 of cf.

Which is not the case.

Increased Compassionate

L.N. Grant seems the most feasible course.

A.S.

In the Bandipatam case MS has stated that schools should be admitted to the net cost concession in areas where there is no other agency to work or where for a large area there is no other with which and where local boards are not able to maintain the schools. These principles do not, however, appear to have been expressly accepted by Finance for general application.

2. In the present case there is no other Secondary school in Harpanahalli either under public or private management.

Copy from the Inspection Book 1915-1916 pp 21

This is the only Secondary School in the Harpanahalli TK and, barring the Hospet-based ~~high~~ school which has just developed into a full-blown high school (which is about 46 miles from Harpanahalli), the only complete Secondary School in the Kannada speaking talukas of Hospet, Harpanahalli, Hadagalli and Kudligi. The only other schools in the vicinity of Harpanahalli are the Bd schools at Hadagalli and Kotlur which are respectively 14 and 20 miles away. But these are only middle schools. The Bd's inability to maintain the school has been brought out in their deputn note on pp 10-11 ante. Thus all the conditions laid down by M3 for a rest cost school are satisfied in this case.

cf. P on p. 2 Cf.

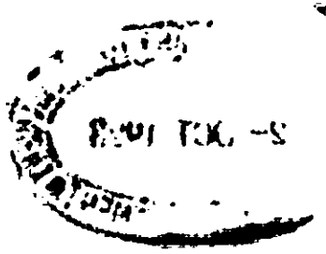
The proposal in the present case is that for: Rs. 4,978 according to the D.P.I's figures should bear the net cost of the High school at Harpanahalli in the Bellary Dt. The extra cost involved in the proposal is given in Law (Educl) note on pages 11-12 ante.

Vide 1.8.9. and Law (Edl) note, with 14-15 ante



Vide para 6 of Go 2173 Ltd 3.10.23 (H)

2. In portion K of h.s.s. note on page 12 ante, it is stated that the compassionate grant given to the Dt. Board in the current year takes into account the expenditure on the School from Board funds for which grant in respect of the expenditure on the School in 1923-24 is sought admissible. In the h.s.s. Asst Secy's note on page 14 ante, the payment in respect of the net cost of the School in 1924-25 (75% of the previous year's which is usually paid as an advance in the year) is recommended. Whether this can be done will depend upon the provision entered in the next year's estimates on account of the net cost of schools & this will have to be treated as a Part II scheme for 1924-25. Law (Educl) may be informed accordingly.

BOARD HIGH SCHOOL, HARPANAHALLI,

Bellary District.

Please see Finance note on p. 16 ante.

The proposal is that Government should bear the entire net cost with effect from the current year. A fixed subsidy of Rs.3190 p.a. is now being given by Government towards the net cost of the school. ~~xxxx~~

I S-1 Loan ... ... 1924 ... 2 ... In ... (A) ... para 2 ... p. 10 ... F

The entire net cost is estimated by the President District Board at Rs.10,360, and by the D.P.I. at Rs.8,168 per annum. The proposal was placed before the Finance Committee on 29-1-24 and they recommended the inclusion of this item in Part I and the provision has been accepted by the Legislative Council.

2. Funds.- Taking the Director's estimate of Rs.8,168 p a sum of Rs.6,126 being 75 per cent of the net cost, is payable in 1924-25; and this amount is provided for under the head "31 Education" in the Budget Estimate for 1924-25 as under:-

(1) Rs.3,190(already being paid to the school): this is included in the lump provision of Rs.5.67 lakhs for grants to local bodies for secondary education- Local Board schools.

(2) Rs.2,936: This is included in the lump provision of Rs.48,000 for grants to local bodies for secondary education - Payment in support of Local Board and Municipal schools.

3. Submitted that the proposal may be accepted.

The draft submitted below is for approval
